- Tickets will be available up to the beginning of the raffle which will begin at 7:30 pm
- Fifty percent of the proceeds (estimated at \$5,000) will benefit the AASG Foundation; the remaining half will comprise the prize pool. You will have a 1 in 33 chance of winning a prize!
- Three prizes will be awarded: \$2,500 (grand prize), \$1,500 for second, \$1,000 for third
- Tickets will be sold in advance
- People can split the cost of a ticket, but only one name should be given as the ticket holder when purchasing a ticket
- Tickets can be sold to anyone, so please contact friends, family, supporters of your survey, etc., to buy a ticket
- You do not need to be present to win!

50/50 Raffle Rules

- Tickets will be numbered from 1-100 and sold sequentially. Please, no requesting of "lucky numbers", etc.
- For the drawing, all ticket numbers will have a corresponding number card posted on a game board in a 10 x 10 matrix.
- Starting at 7:30 pm during the AASG Reception, numbers will be drawn randomly approximately every minute.
- As a number is drawn, it is taken down from the board and the corresponding ticket is eliminated from the game. The last three tickets/numbers remaining on the board are winners!
- So in essence, you are hoping that your number *does not get drawn* throughout the evening, and the last three remaining tickets are prize winners.
- Third to last number left on the board wins \$1,000; \$1,500 for second; \$2,500 for last ticket remaining (grand prize). Note: If less than 100 tickets are sold, then the total proceeds will be divided with 50% to AASGF: and prizes of 25%, 15% and 10% of the proceeds, respectively. *Prize winners responsible for any taxes due.*

So enjoy the reception with friends and colleagues, and monitor the raffle board throughout the event for the status of your lucky ticket!
